Android 4.0 Tablet PC "Dark Fantasy" - 9.7 Inch HD Display, 16GB, 8000mAh Battery, WiFi N

Product code: CVGY-7407

New “Dark Fantasy” Android 4.0 Tablet PC with 9.7 Inch gorgeous HD display for gaming, internet, and multimedia entertainment.

9.7 Inch breathtakingly beautiful display all at your fingertips! Only by holding it in your hands, you can experience the difference of the “Dark Fantasy”. With display resolution of 1024x720 pixels, even the menu icons look clear and sharp. Videos, games look clearer, and reading news is much easier on a large HD screen. Reading

on a bigger screen also means you can see more at one glance and read faster. The “Dark Fantasy” tablet is truly an exceptionally brilliant viewing experience.

Superior Hardware, and Software too! The “Dark Fantasy” tablet’s 1.0GHz A10 65nm CPU combined with the latest Android 4.0 ICS operating system makes everything faster and simpler for you. Refined and evolved UI, resizable Widgets, redesigned Gallery apps, improved web browsing... there are tons of new features and enhancements with Android 4.0 waiting for you to explore. And better yet, with the next generation Wi-Fi-N high-speed Wi-Fi, the “Dark Fantasy” is capable of delivering the range and capacity to support today's most bandwidth-hungry applications, like streaming HD (High Definition) video, voice and music. With hardware and software that perform, the “Dark Fantasy” is one tablet that you should not miss out on.
